Madras, in whose office
 584 the word "Myson" is printed.
 2. Consequent on the fraudulent mis-appropriation of Myson dies and stamp labels in 1873 by certain employees in the Office of the Acct. Genl. Madras, a proposal was submitted in Jan. 1874 to India to have the labels for Myson manufactured in England, under the same checks as those for the Gov. of India, but India considered the proposal premature (Papers submitted).
 3. Water-marked stamped paper is also obtained from the Supl. of Stamps Madras, then the Acct. Genl. Madras, in whose office a bi-color stamp, with the inscription "Government of Mysore" and the value, are inserted. A plain country stamp is pressed in the Stamp Office here. -
 4. Specimens of the labels & stamp-paper are submitted for inspection.

 These orders can hardly be applicable to Mysore, as the existing practice has been authorized by order of the Secy. Genl. of 7/8/74. The letter of 1/6/76 is also to be referred to, and the Mysore stamps are to be prepared accordingly.
 It was replied to by D. A. G. No 54 dt. 16/7/76. 1/7/76 para 4.

Sir,

In reply to your l^o ²¹¹²⁴/₂₂₉ of the
20th Instant forwarding for my report a copy
of Resolution l^o 805 of the 12th ultimo from
the Financial Department of the Government
of India, directing "that Stamps or Labels prepared
for use in the levy of duties under the Indian
Post Office Act 1866, the General Stamp Act
1869, the Court Fees Act 1870, or of any other
duties of the Government of India, shall under
no circumstances be supplied or used for any
other purposes than the levy of the Imperial
revenues of British India," I have the honor
to state that the Orders of Government Financial
Department l^o 894 dated 7th February 1874,
received with your l^o ⁶³²⁶/₉₂₇ of the 14th Idem,
authorized the use of India Court Fees
Labels and Receipt Bill or Draft Labels
with the word "Mysore" printed across for
the

the levy of Stamp duties in Mysore. They
are supplied by the Superintendent of Stamps
at Madras, ready printed, on applications
from this Office at their actual cost.

I may remark that Mysore being
administered wholly by the British Government,
the objection referred to in the resolution of the
12th ultimo is probably not applicable to the same
extent to Mysore as to other Native States.

I have the honor to be
Sir
Your most obedient servant.

To,

The Chief Commissioner, Mysore

Financial Department

Sir,

With reference to your letter No 4571/920 dated 2nd August 1876, I am directed to state that the sanction conveyed in my letter No 894, dated 7th February 1874, to the use of Government of India Court Fee Labels, and Receipt Bill or Draft labels with the word "Mysore" printed across them was merely temporary pending the decision of the question whether or not the system of adhesive labels should be abandoned in favor of impressed stamps, or Court Fees.—

2 The question of the continued use of adhesive stamps has not yet been finally settled, and in the mean time, the practice at present prevailing in Mysore of using Government of India stamps with "Mysore" printed on them may be continued.—

I have the honor to be,

Sir

Your most obedient servant,

Sincerely,

The 30th August 1876 }
